WHY MEDISCRIBES

Mediscribes is a premier provider of comprehensive Medical Transcription solutions. We know what it takes to convert audio files into text documents.

FACTS:

- ▶ Nuances' Dragon NS is the leading VR program available in the market today
- ▶ Dragon NS can transcribe with very high accuracy and speed
- ▶ Without training the dictator AND the software, the software will fail
- ▶ Mediscribes is a certified Nuance Partner - We can install, Train and support the entire Dragon NS product line.

ABOUT US
